## NOTE

## TECHNICAL NOTE

$\square$ Commissioned by : EURO-RSCG
$\square$ Fieldwork : April 12th to 29th
$\square$ Methodology : CATI telephone interviewing in all the countries

Sample : - National representative samples of the population aged 18 and over in all the countries:

- In the Czech Republic national representative sample of 1000 individuals
- In Finland national representative sample of 929 individuals
- In France national representative sample of 1017 individuals
- In Germany national representative sample of 960 individuals
- In Italy, national representative sample of 999 individuals
- In the Netherlands, national representative sample of 1027 individuals
- In Poland national representative sample of 1001 individuals
- In Portugal national representative sample of 1000 individuals
- In Spain national representative sample of 958 individuals
- In the United Kingdom national representative sample of 968 individuals

Question ：For each of the following sentences，tell me if they are very much，a little，not really or not at all in line with what you think：
－Religion holds an important place in my life－
